Dr. Brian Gatens, Past President

Dr. Aaron Graham Science Scholarship Application
Class of 2024

Please include the following information in your application:

1. Personal Data

Student Name
Student Address
School Attending
School Counselor Name/Email Address/Phone Number

2. Community Service Activities

Please provide a brief description of your involvement in community service activities, including any leadership roles or significant contributions.

3. Letter of Recommendation from a Science Teacher

4. School Counselor letter if there is a specific financial need

5. Essay

Your well-constructed essay should be 500 – 750 words. You should address in your essay:

The importance of a comprehensive science education in a public-school curriculum. Describe the value of fostering literacy in the sciences to drive innovation and to address global challenges. Consider the impact of your own education in the sciences as you respond and support your arguments with relevant examples.

Submission Instructions:

Please submit your responses to your School Counselor.

All materials must be received by April 8, 2024. We will contact the school district of the successful candidate by May 3, 2024.
