Dual Enrollment Registration Information

Registration for dual enrollment courses will be completed online. The enrollment process will be completed during their class time.

- The registration process will begin on November 12 and will run until January 10, 2020.
- The Dual Enrollment registration process is a two-step process.
 1. Students will apply to the Dual Enrollment program online entering the required demographic information. Within 24 hours of submitting the application, students will receive an e-mail with their Bergen user name and password.
 2. Students will also be sent a link to an online registration form.
 - Once the online portion of the form is completed, students will be required to print the form, and have it signed by their parent and a guidance counselor from their high school. The signed form will then need to be uploaded to an online portal to complete the registration process.

Tuition/Payment

The tuition for the 2019-2020 academic year is set at **\$73.25** per credit plus the annual **\$15.25** registration fee.

Students who qualify for the Federal Free and Reduced Lunch Program will only be responsible for the \$15.25 registration fee regardless of the number of registered courses.

- Students will be able to pay online using a credit card (fee attached) or debit card.
- Students can also pay with a check or money order made out to Bergen Community College and mailed to:
